# FT-WTB-5B-24
24 Adapter Slot, Outdoor Wall Mount Box, Single Door
FIBERTRONICS

The FT-WTB-5B-24 is a wall mount box designed for use in small capacity communication systems.

The cabinet is composed of two parts, one links with optical cables for fusion connections between optical cable and fiber pigtails and another connects with patch cords. It is wall mountable with lockable doors for added security. Various accessories help avoid avoid any unexpected damage to the fiber.
